WE NEED AND APPRECIATE GRANT ACKNOWLEDGEMENTS

Help Us to Help You in the Future

- ➤ The Camas-Washougal Community Chest is supported solely by donations from individuals, businesses, foundations and events. More than 95% of donations received are distributed as grants to local non-profit organizations which offer activities, services or projects in the Camas and Washougal area.
- ➤ Those activities, services or projects must advance one or more of the following purposes: education, youth activities, aid to people with special needs, natural resource conservation, health and welfare programs, crisis and emergency services and other similar charitable or civic objectives.

Since we don't offer services directly, our greatest challenge is name recognition—letting people know we serve the local community through our partners such as yourself. We appreciate your help in raising our profile in the local community so that we can continue to offer grants in the future.

HOW YOU CAN HELP AND TIPS FOR INCLUDING CWCC IN YOUR ORGANIZATION Mention CWCC as a sponsor or partner, in whole or in part:

OPTIONAL: Provide 30 - 60 second video
